THE SENIOR CLASS

JIM NED HIGH SCHOOL

TUSCOLA, TEXAS
PRESENTS THE

WARRIOR

Foreword

This brings the close of the fifth year of the Jim Ned Schools. You no longer hear people say, "Where is Jim Ned?" Now they ask, "What's Jim Ned doing?"

To help you remember what Jim Ned has been doing, both in work and in play, we, the yearbook staff, proudly submit this record in pictures and words--

The 1962 Warrior

Dedication

We, the members of the 1962 Senior Class, wish to express our love and gratitude to one who has given freely her time, thoughts, and energy so that the lives she touched might be guided to give their best to the art of living and by so doing, help build better individual characters.

To one whose helpful and cheerful ways have helped to brighten our school days we now humbly dedicate this annual. One whom we all know as teacher, annual sponsor, and friend; MRS. JUNE HOLLIDAY.

Editors' Note

The annual staff has worked to make THE WARRIOR a complete record of your activities for 1961-62.

You can use it as a key to unlock the door to your memories of those wonderful days.

As you turn through this book you will come to appreciate as we, the editors, have, the Warrior Staff. They have worked hard to make this record for your enjoyment.

It's all yours now: The 1962 WARRIOR

Superintendent's Message

To My Student Friends:

Your lives, no doubt, will be in keeping with the high ideals and standards of living you have exemplified on the campus of Jim Ned.

You should feel, therefore, a personal responsibility in living up to the ideals in which you have thus far been schooled.

The traditions planted by you become the permanent and priceless possessions of Jim Ned Schools. I trust that you will make the traditions of the school as rich and valuable as it is possible for human efforts to make them.

Very sincerely yours,

Arnett L. Weeks Jr.

Dear Students:

As another school year comes to a close it brings each of you closer to your goals in life. It is my sincere hope that these goals are set high and the methods you use to obtain them are of the highest quality.

It is well to remember that you cannot receive from life anymore than you are willing to put into it. Apply yourself to the minor things and when the major crises arise you will have the ability to meet them with a feeling of confidence.

My best wishes to each of you as you prepare for the close of one year and the beginning of another.

Sincerely yours,

William N. Boyd

Principal's Messages

Students:

This year has been another enjoyable year at Jim Ned. The pleasure seems to increase each year that I spend here and I am able to know each one better. I feel that our school is improving each year because of the interest and work of the students, parents, and teachers.

Congratulations to the Seniors for the fine work done on the annual. This senior class is the first to graduate from both Jim Ned Elementary School and Jim Ned High School.

May your future hold many wonderful things in store for you.

Sincerely,

G. A. Black

ROLAND SMITH

The MOST REPRESENTATIVE of Jim Ned High School should possess democratic and honest leadership: they should possess self-confidence, as well as the ability to inspire confidence in their associates. They should have the courage of their convictions and the integrity and perseverance necessary to make these convictions realities. They should possess intellect, resourcefulness, stability, and a sense of honor.

Because these two possess these characteristics to a marked degree they have been selected the MOST REPRESENTATIVE BOY AND GIRL of Jim Ned High for 1961-62.

Robert,

You are one of the sweetest boys I have
ever known. We've had lots of good times
together. Some of them weren't so good but, well,
that's the way life is. Just remember that
you have what it takes to go very, very far in life.
Just as long as you have somebody's paper
in front of you!

I hope you always stay the same
Rob because that's the way we like you.
I'll miss you next year, or should I say
you and Bobby! Good luck always.

Autographs

Dear Robert,
I have really enjoyed knowing you for the past five years and more than ever the last year. You have helped me more than you will ever know. I have had loads and loads of fun with you and Jo Ann and Bobby. I know we were not the best bunch of kids in the world but I'll bet we had more fun than anyone else. I know that you will make a success of your life, if you will only try. I hope that you get all out of life that you want and I know that you will.

Best of luck,

P.S. Since this is our last ^{Kathleen} ^{Rountree} year we will probably never really be together again. I want you to know that I have profited a great deal from our friendship. I hope that you have too. The last five years have been wonderful for all of us. I only hope that we can be just this happy the rest of our lives. Just keep trying and I know that you ~~to~~ will make it and I hope that I will too.

my class + my. We have been through every
kind of stuff there is to do and I can say
I have enjoyed every minute of it. You have
took a lot off of me and "barnell" and even ^{though} you
do have the biggest fingers in town you are
my best pal and there isn't much we haven't
done and if there isn't we will do it if it
kills us. Only 3 more weeks of this 5-- +
and I hope we will be out of this place.
We may go on and educate our brains or we
may open up our own little "death house"
in Hollywood and make a fortune but I
don't know which one would be the wiser,
so we better educate ourselves to the best
of our ability and go on and make fine up
standing Citizens of the world so when we
~~die~~ we will have the whole world mourn
over our death.

Best of Luck
Always a pal
Bob Self

Dear Robert

I have enjoyed going to school
with you and I wish you a lot
of luck. I hope your fingers are
still growing. ^{HA} I'll be glad when
we go on the Senior trip. Well
I hope you will be a good kid
like me. a friend
Butler

Dear Robby (Fingers) Day,

I have enjoyed going to school and other things together. I couldn't ask for a better friend than you. I know that I get on your nerves sometimes and I don't blame you for getting mad. I wish I had half the talent with women as you have (know ^{ha! ha!} what I mean). I have had more fun this year running around with you and self than I have ever had before. I hope that I have half the fun next year as I had this year and I would be satisfied. I hope that you go far in life. I know you will. I wish you all the luck and happiness with Linda & Kathy. May the best one win.

a friend always
John C. Atkins

Dear Robert,

Well I have really enjoyed going to school with you all these years. We have really had a lot of fun. I can't wait till the Senior Trip. I know we are all going to have a ball. Good luck to you next year in college.

Always
Linda V.

Dear Robert,

I have truly enjoyed knowing you all these years. You are a very sweet person and I am sure you will go a long way in life. Keep up that wonderful personality.

It seems that all of these years are coming to a close. In a way we are all happy and then in a way we are all sad.

I want to wish you all the luck in life.

Love,
Annette

Robert,

It has truly been a pleasure to go to school with you the past five years. Fingers, you are a fine fellow, but do make something of your life; you have the look and ability to do anything you want to in life. These years have gone by so fast but they have been fun.
Good luck!

Always,
Carolyn

Dear Robert

I have enjoyed going to school with you these 12 years. You have really grown up into a nice young boy in the past two years. You have a nice friendly way that people ^{just} can't seem to get around. Good Luck to you in college! You might need it after all the copying we've done, especially this year. I wish for you all the happiness in the world!

Always a friend

Dear Robert

These past twelve years have passed fast it seems. But I have enjoyed every minute of going to school with you. It has been you and all the rest of the kids that has made them so wonderful. I will miss all of them next year. May you have the best of everything in the years to come. A Pal
